POSITIVELY IMPACTING GEORGIA'S CHILDREN

---

## MESSAGE FROM THE LEADERSHIP

Isn't God just awesome! Child Evangelism Fellowship of Georgia is poised and focused on what God wants to do through us. We have a lot of things in the works but our focus continues to be on connecting children and families to our Heavenly Father. We just ask everyone involved with our ministry to grow in their relationship with the Lord and allow his light to shine through their life. Our focus is those children that are not being reached. We are looking to strengthen and build a healthy ministry that enables us to have the

biggest impact we can on the next generation. Our latest chapter, Atlanta-Fulton, has started and we are looking to get a Northwest Georgia chapter organized

as well. Please pray that God leads the right people to partner with CEF of Georgia as leaders assisting us in obtaining the necessary resources to continue to follow God's will for this ministry. Please tell everyone you know about this awesome opportunity to reach and impact children and why you support it. We need all the prayers, leaders, volunteers, and donations we can get to continue to reach more and more children!

Thanks again and God bless you all,

### SUCCESSFUL STATE FUNDRAISER:

Thanks to all those participating in the annual CEF Spring Golf Auction & Event in April. Total raised to date is **\$25,584**. Thankful for the great participation and support. This annual event brings consistent/ repeat supporters every year.

## UPDATES

**GWINNETT CHAPTER:** Serving in a Gwinnett County Good News Club saved one man's marriage through the Mom, Dad and daughter all participating in a Good News Club. Thankful for his testimony!

**SOUTHERN CRESCENT:** "We are so thrilled at what God has done through our Good News Clubs in south metro Atlanta this year. 360 children have trusted Jesus as their Lord and Savior! We believe every one of those kids was WORTH IT and so does God!"

### GOOD NEWS CLUBS MAKING AN IMPACT:

"Our kids are so full of questions it's a blessing to see them soaking in God's Word. They've been asking big questions like 'What is the trinity?' and 'Can God die?'. What a privilege to share the Good News with these children." *Jolene Barkley, Coweta Charter Academy*

"This week's lesson was a challenging one for young ones. But our first and second graders really seemed to catch on all through the lesson. We really zeroed in on the Trinity, and they listened and responded and WE LOVED it. Thank you Lord, for helping us clearly give the truth of your Word!"

*Charlene McDaniel, Poplar Road Elementary*

## DONORS NEEDED

We are thankful to report **\$73,148** in donations received through the first week of June 2018 toward the **\$180,000 needed** to meet budget for the year.

God has been faithful, but we are still in need of donors that can commit to a monthly donation of \$10, \$25, \$50, or even larger monthly gifts. We only have 18 monthly donors at this time. Would you prayerfully consider joining them and assisting our goal to reach all of Georgia's children for Christ?

## TESTIMONIES FROM OUR CLUBS

### WHY DO YOU LIKE GOOD NEWS CLUB?

#### **Walnut Creek Elementary (Salem Baptist Church)**

*Jayden, 3rd grade:* I like GNC because it's about God. It's good for everyone to learn about Him so they can learn what they should and shouldn't do.

*Khyeer, 1st grade:* We get to sing songs & be with my friends & learn about Jesus. Good News Club is important so we can learn about

God. He is holy and has the power to do anything.

#### **Crabapple Lane Elementary (Flat Creek Baptist)**

*Holden, 1st grade:* Learn about Jesus. It's interesting. He created us. And He died on the cross. All of us would still be doing sin right now. When we hear about him we have a choice to make-to do our sins or to not do sins.

#### **From Pike County Elementary (Harp's Crossing Baptist at Hollonville)**

*Lauren, 4th grade:* To learn that we are more than what we think. God created us just the way we are and we are beautiful the way he created us.

*Allie:* My maw maw goes to church. I don't get to church very much because my mama has to work or babysit or do stuff for her boss.

#### **From Peeples Elementary (FBC Peachtree City)**

*Christian, 3rd grade:* It's important to learn about Jesus and God. Asking him into our heart is the only way for Jesus to forgive us and to be in heaven one day.
